IN WEDNESDAY

DENCE OF WILLIAM AL-  
HT BURNED TO GROUND  
YESTERDAY.

TO \$2000 DAMAGE

residence of William Albright  
Ridge Avenue burned to the  
late Wednesday afternoon,  
damage estimated to be be-  
\$1500 and \$2000. The conflag-  
ration started in the kitchen  
which was in the rear of the building.  
The fire was first noticed, shortly  
4 o'clock and the local fire de-  
partment was notified but due to the  
fact that a train was going across the  
Indiana lines at the Bloomington  
crossing the firemen were unable  
to get to the scene of the con-  
flagration as rapidly as possible.

According to fire chief John God-  
frey were held up between five  
minutes and could not locate  
the employees on the train,  
to get the train cut.  
The department did arrive,  
had spread from the kitchen  
adjoining room. As it was  
to use the chemicals the  
was hooked to a cistern and the  
played on the flames.  
After at this point another in-  
cursion came in the form of a call  
residence on Walnut street and  
men had to make the run. A  
rning out was the cause of the  
1 after seeing that no damage  
ne, the firemen went back to  
one of the first fire.

ite the valiant efforts of neigh-  
d volunteers to check the pro-  
of the fire, the blaze spread  
oom to room until the house  
stroyed. All furniture and  
old effects in three of the  
had been moved out and with-  
ception of the furniture and  
old articles in the kitchen, all  
ved.  
It was seen that it was too  
ve the structure, water was  
on the houses on either side  
Albright home, owned by Louis  
el and Otto Chadd, in order  
them. The sides of the Al-  
house were pushed inward so  
e falling parts of the burning  
re could not do any more dam-  
house was a one-story home  
s partially insured.

FIND BODIES  
OF DEPUTIES  
AT COVINGTON

FARMER DISCOVERS BODIES  
WHILE SEARCHING FOR  
LOST COW.

VANISHED ON FEBRUARY 7

Officers Were Taking Two Convicts  
To Prison From Lafayette.  
Found In Woods.

COVINGTON, Ind., Feb. 16. (UP)—  
The bodies of deputy sheriffs Wal-  
lace McClure and John P. Grove who  
disappeared last Tuesday while tak-  
ing John Burns and Samuel Baxter in  
an automobile from Lafayette to the  
state reformatory at Pendleton, were  
found in a woods west of here today  
by Charles Abdill, a farmer who was  
searching for a cow. The automobile  
was found earlier in the week at De-  
catur, Ill. The windshield in the au-  
tomobile had been shattered, showing evidence  
of a fight. The prisoners who killed  
the two officers have not been locat-  
ed, although a nation-wide search is  
being made for them.

The two officers started from La-  
fayette about six o'clock, but went  
only a short distance east. It is  
presumed they were overpowered by  
the prisoners who were handcuffed  
together and in the rear seat. An  
automobile crank found in the aban-  
doned car was thought to have been  
used by the prisoners in the killing  
of the two deputies.

Putnam county high schools have

The fifteenth annual state high  
school oratorical opens with local  
school try-outs on or before March

Federal Program for Farm Relief"  
is the subject for discussion.

Gold, silver, and bronze medals will  
be awarded to the high school stu-  
dents ranking first, second, and third,  
in the contest. A trophy cup will be  
given to the school represented by the  
winner in each district.

Glen Stahl, of Evansville, won the  
gold medal last year, while Nathan  
Levy, of South Bend, came second,  
and Miss Vivian Mosher, of Columbia  
City, third. The subject discussed  
last year was "A Federal Department  
of Education with a Secretary in the  
President's Cabinet." A total of 288  
students of Indiana high schools partic-  
ipated in the contest last year.

The L. U. Extension Division has

P. T. A. PLANS  
BIG MEETING  
MONDAY EVE.

"GET ACQUAINTED" SESSION TO  
BE HELD IN VOCATIONAL  
BUILDING.

PROGRAM BEING ARRANGED

Cafeteria Luncheon Will Be Served  
At 6:30 p. m. Solve School  
Problems Is Object.

Monday evening at 6:30 o'clock a  
"get acquainted" meeting of the  
Greencastle high school and depart-  
mental Parent-Teachers' Association  
will be held in the basement of the  
vocational building. A cafeteria  
luncheon will be served and each  
member attending will bring some  
article of food and table service.  
An interesting program is being  
arranged and all who can are urged  
to be present. The committee in  
charge of the meeting believes this  
get together session will enable par-  
ents and teachers to know each other  
better. This acquaintance may help  
solve some of the problems that  
arise in the local schools each year.

A number of musical numbers are  
being arranged, and the chairman of  
the program committee will present  
a list of questions to the teachers  
and parents, asking them to suggest  
the kind of programs and the kind  
of questions they think the Associa-  
tion ought to take up and discuss at  
its meetings for the remainder of the  
year.

The parents of the High School  
children in Greencastle have not re-  
sponded to this Association as they  
should, and it is the plan of the of-  
ficers of this year to increase their  
interest if possible. Mrs. L. H. Dirks  
is the president and is proving a  
splendid leader. All High School  
teachers and parents are urged to be  
present at the meeting Monday eve-  
ning that they might know better  
their responsibilities in this supreme  
task of training our youth for their  
future life work.

Dr. Tehyi Hsieh, a member of the  
Boston Kiwanis Club and secretary of  
the Chinese Chamber of Commerce  
in America, was the honor guest of  
the Greencastle Kiwanis Club at the

Dr. Hsieh in his address to the  
Kiwanians stated that "the nineteen-  
th century belonged to America but  
that the twentieth century belonged  
to China." The speaker declared that  
China looked upon the United States  
as "a friend, a leader and a savior."  
He said he hoped to be the first  
Chinese to take back to his native  
land, the fundamentals of Kiwanis  
and to organize the first club in

PETITION COPY  
WAS RECEIVED

IN THE MATTER OF THE PETI-  
TION OF THE TELEPHONE  
COMPANY.

A copy of the order of the Public  
Service Commission for increase in  
rates and the compromise elected at  
the hearing held in the Court House  
on Wednesday, February 8, has been  
received from the Public Service Com-  
mission in the Telephone rate hear-  
ing.

Some of the paragraphs will un-  
doubtedly be of interest and are as  
follows:  
On the 6th of July, 1927, petition-  
er filed its petition in this case. Since  
the first day of January, 1922, there  
has been in effect for the property  
of the petitioner at Greencastle, a  
schedule of rates and charges for  
telephone service supplied by the pe-  
titioner at its said exchange.

That the income which the peti-  
tioner has received under such sched-  
ule of rates now in effect at said ex-  
change and which the petitioner rea-  
sonably may expect to receive under  
said rates, has not been and will not  
be sufficient to pay operating expen-  
ses and a fair return upon the fair  
value of the petitioner's property used  
and useful, unjust, unreasonable and  
confiscatory, when considered sepa-  
rately, or when considered in their en-  
tirety.

After the compromise agreement,  
was the following paragraph:

It is further ordered by the Pub-  
lic Service Commission of Indiana,  
that on or before March 1, 1928, the  
petitioner in this case, the Green-  
castle Telephone Company, shall file  
with the Tariff Department of this  
Commission, and shall post and keep  
in its office in full view of the  
public during the entire period such  
schedule is in effect, a printed or  
type-written copy of such schedule  
of rates as required by Section 41-47  
of the Public Service Commission Act.

being extended to other nations of

tion of Women's Boards of the

OFFICIALS OF  
LOCAL CHURCH  
HELD MEETING

OFFICERS AND TEACHERS OF  
CHRISTIAN CHURCH EN-  
JOY BANQUET.

WILL BE ANNUAL AFFAIR

Mrs. E. R. Bartley is Toastmistress  
Of Wednesday Gathering. Splen-  
did Program Is Conducted.

The officers and teachers of the  
Bible School of the First Christian  
Church met Wednesday evening at  
6:30 at the Church for a banquet,  
which they plan to make an annual  
affair in the life of the School. The  
banquet was served in a very fine  
way by a group of the young mar-  
ried ladies of one of the classes of  
the School.

Mrs. E. R. Bartley, General Supt.,  
of the School acted as toast mistress,  
and made a talk on the subject of  
"Hopes and Helps". She outlined  
some of the things the School hoped  
to accomplish during the coming year.  
Miss Imogene Mullins gave a read-  
ing. Mrs. Charles Rector spoke on  
the subject, "Bigger and Better".  
Miss Lenora Alsbaugh spoke on  
"Loose Connections." Prof. Cohen  
Pierson talked on the "Aims of Re-  
ligious Education." Rev. B. H. Brun-  
er spoke on "Shepherd's Paths," and  
suggested that the Bible School could  
either make the shepherd's path a  
difficult one or a smooth one. He  
stressed the importance of the teach-  
ers staying for the morning Church  
service if they expected the children  
and young people to stay. Miss Car-  
ol Shultz spoke on "Building Char-  
acter," and Miss Jane Farmer spoke  
on "Our Response to the Task." A  
reading was given by Miss Eva Rob-  
inson, and Mr. Robert Phillips sang  
a solo. The closing song was made  
by Mayor Charles McGaughey on  
"Links." Mr. McGaughey pointed  
out the fact that the various orga-  
nizations in the Church are like links  
in a chain, and that the Church can  
not be much stronger than the weak-  
est link in the chain. He urged the  
leaders of the Bible School to make  
that organization one of the strong-  
est links in the chain.

One of the features of the banquet  
was the introduction of the members  
of the newly appointed Board of Edu-  
cation of the Church. The new con-  
stitution of the Church provides for  
a Board of Education, four members  
to be appointed by the chairman of  
the board of officers of the Church,  
and the other members to consist of  
the General Supt., of the Bible School  
and the heads of the various depart-  
ments of the School. This Board of  
Education is to have general over-  
sight of the program of religion Edu-  
cation for the Church and will be  
responsible for the selection and  
training of teachers for the Church  
School. This puts the Church in line  
with some of the very latest methods  
in religious education in America.

Auto Crash Is  
Fatal To Driver  
GAS TANK EXPLODES BURNING  
OCCUPANT OF WRECKED  
CAR.  
INDIANAPOLIS, Feb. 16 (UP)—  
Trapped in his blazing automobile  
after the gasoline tank had exploded  
four miles south of here last night,  
Isaac Breneman, 67, of Morgantown,  
was burned to death before spectators  
could come to his rescue.  
Breneman's automobile skidded on  
a snowy pavement and struck a  
bridge. It burst into flames immedi-  
ately and frantic efforts of passing  
motorists to break in the doors were  
unsuccessful on account of the intense  
heat.  
A partly filled bottle of moonshine  
whiskey was found in Breneman's  
hip pocket by deputy sheriffs, who  
investigated, and drinking was be-  
lieved responsible for the accident.  
Henry Rosebrock, only witness,  
told officers Breneman was travel-  
ing at a high rate of speed as he ap-  
proached the bridge, ziazagging and  
nearly going over a steep embank-  
ment at the roadside.

SMALL POX AND PNEUMONIA

"CLEVELAND."

HONOLULU, T. H., Feb. 16. (UP)

Port physicians and emergency sta-  
tions here prepared today to receive  
passengers of the steamship Clevel-  
and, aboard which eight persons  
were reported to have died in an epi-  
demic of small pox and pneumonia.  
Radio dispatches reported the ship  
probably would arrive here sometime  
this morning.  
Brief dispatches received last night  
said most of the deaths were confined  
to steerage passengers. There were  
more than 500 passengers on the ship.

The Cleveland made its last call at  
the port of Yokohama and was not  
due in Honolulu until tomorrow au-  
thorities said.

Dr. George Belden, ship surgeon,  
has worked unceasingly for four days  
and nights since the small pox ap-  
peared. Most of the stricken passeng-

AN ACQUITTAL

STATE RESTS CASE IN BRIBERY  
TRIAL ON THURSDAY  
MORNING.

EWBANK ATTACKS STATE

Motion By Defense Starts Greatest  
Legal Battle Since Trial of  
Governor Opened.

COURTROOM, INDIANAPOLIS,  
Feb. 16. (UP)—Interrupting an argu-  
ment on a motion for an instructed  
verdict of acquittal, Judge Charles M.  
McCabe, permitted the State to re-  
open its case against Gov. Ed. Jackson.

COURTROOM, INDIANAPOLIS,  
Feb. 16. (UP)—Attorneys for Gov.  
E. Jackson moved today for an in-  
structed verdict of acquitting him of  
the charge of concealing an alleged  
bribe.  
The motion started the greatest  
legal battle of the trial after he state  
suddenly completed its case at 9:11  
A. M., with testimony that one of its  
witnesses, Robert W. Lyons, Rich-  
mond, attorney, was ill in the Miami  
Valley Hospital at Dayton, O., after  
an operation.

Louis Ewbank, of Counsel for  
Jackson, centered his attack on the  
testimony of former Gov. Warren T.  
McCray who declared Jackson offered  
him a bribe four years ago.

No verdict was shown to have  
been exerted by Governor Jackson on  
McCray, to prevent him from telling  
of the offer before the statute of lim-  
itations became operative to prevent  
prosecution, Ewbank declared.

He asserted that the state had not  
introduced any evidence to show that  
Governor Jackson, by specific, posi-  
tive or affirmative acts, had concealed  
the alleged bribe.

The state changed its course of ac-  
tion overnight and did not carry out  
its announced intention to call Miss  
Adah Bush, McCray's former secre-  
tary, as a witness.

Harry McGlenn, detective Sergeant  
and private investigator for prose-  
cutor William H. Remy, closed the  
state's case with brief testimony in-  
tended to show that Lyons could not  
be used as a witness because of his  
illness.

McGlenn said he saw Lyons in the  
Miami Valley Hospital at Dayton late  
Friday. This was a day before Lyons  
underwent an operation for acute  
appendicitis.

After Lyons had identified it, a  
subpoena was introduced as the  
State's first and only exhibit, showing  
that sheriff Harry E. Lawrence, of  
Richmond, had served it on Lyons  
Feb. 3.

Preliminary to the argument,  
Judge McCabe excused the jury from  
the courtroom and announced that if  
he took the case out of the jury's  
hands.

ILLINOIS YOUTH  
WAS INJURED IN  
AUTO ACCIDENT

SUFFERED COMPOUND FRACTURE  
OF LEFT ARM—BROUGHT  
TO HOSPITAL.

OCCURRED LATE WEDNESDAY

Was Driving West On National Road  
When Machine Was Sideswiped  
By Car Being Driven East.

James Fulkerson, age 17, of Oak  
Park, Illinois, is in the Putnam Coun-  
ty hospital suffering from the loss of  
blood as the result of a compound  
fracture of his left elbow, sustained  
in an automobile accident that oc-  
curred on the National Road, east of  
State Road 43, about 11 o'clock  
Wednesday night.

Following the accident, he was  
brought to Greencastle and taken to  
the County hospital. Dr. C. C. Fucker-  
er was called and efforts were made  
to stop the flow of blood. Dr. Col-  
lette of Crawfordsville was also called  
and the arm was opened and several  
pieces of bone taken out.

A tourniquet, surgical instrument  
for compressing an artery and arrest-  
ing hemorrhage, was placed on the  
arm. According to the doctors it  
was one of the most serious cases of  
this kind they had witnessed. The  
young man had lost considerable  
blood before he was taken to the hos-  
pital and hours of work was required  
before the flow was stopped.

Further developments will have to  
be watched before it can be seen  
whether or not the arm will have to  
be amputated. The bones in the  
joint were mashed and broken and  
a number of pieces were removed.

The accident occurred when Fulk-  
erson's machine was sideswiped by  
another car being driven east on the  
National highway. Fulkerson was  
coming to Greencastle from Indiana-  
polis. The driver of the second car  
never stopped but continued on his  
way.

The youth was brought to Green-  
castle immediately, and the car, a  
Pontiac, was taken to the Franklin  
Street Garage later. The left front  
wheel, fender, running board and  
axle of the machine were damaged.

It is thought that the car which  
sideswiped Fulkerson's machine hit  
the young man's arm causing the  
fracture.

TOURING CAR  
WAS DAMAGED  
EARLY TODAY

YOUNG MAN SUSTAINED BROK-  
EN COLLAR BONE—MACHINE  
TURNED OVER.

A Dodge touring car driven by C.  
N. Hay of this city was damaged, and  
Herbert Moyer who was accompany-  
ing Hay, sustained a broken collar  
bone, when Hay lost control of the  
machine, when it hit the gravel on  
the side of the pavement, on Com-  
mercial Place about 7 o'clock Thurs-  
day morning.

The car slid about twenty feet and  
then turned over, according to em-  
ployees of the Tribby Garage where  
the machine was towed, following the  
accident.

The young men were returning  
from Fillmore, after delivering a load  
of bread and the car slid off the pav-  
ement on the gravel. When the ma-  
chine hit the gravel Hay lost control  
and the car turned over, damaging  
the left front wheel, left front fender  
radiator, top and windshield.

School Board To  
Meet On Friday

BOARD MEMBERS WILL MEET  
WITH THE ARCHITECTS FOR  
NEW BUILDING.

The School Board will meet Friday  
afternoon at 2:30 o'clock with the  
architects for the proposed Second  
Ward school building, in the office of  
Warren Yount, superintendent of city  
schools, in the high school building.

At this time the appointment of a  
teacher to fill the vacancy in the His-  
tory department of the High School,  
will be confirmed. Quite a number of  
applications have been received for  
the position and it is thought that  
the matter will be definitely settled  
at the meeting Friday. Cleon Davies,  
who recently accepted a position to  
teach in the new Washington High  
School of Indianapolis, will conclude  
his work in the local school this week.

## DR. TEHYI HSIEH OF MUCH INTEREST.

Greencastle people who failed to hear Dr. Tehyi Hsieh of Boston, who has been in Greencastle, where he spoke five times Wednesday and again Thursday morning and afternoon, missed one of the rarest treats they have had the privilege of hearing in many years. Dr. Hsieh is from China, but was educated in England and is representative of the Chinese Chamber of Commerce in America. He gave more information of a true nature regarding China, than has been given in Greencastle before. He is the essence of earnestness and gives facts, not theories. He has caught the American spirit and

he has had and will continue to have a big share in the changes being made in China and those to be made in the future.

In closing his tenth talk in Greencastle Thursday, Dr. Hsieh quoted these lines:

Though East be East, and West be West,

One day the twain shall surely meet.  
When both obey their master's hest,  
When both in heart and mind are great.

When truth is crowned in royal state,  
When Justice, Mercy sit enthroned,  
When Pride, Creed, Cruelty lie prostrate,

And love and peace come to their own.

Editorial comment from newspapers throughout America, speak only in the highest terms of Dr. Hsieh and to get close to him and get his American pep and a foreign slant on our country, is one of our most interesting experiences.

## Dental Campaign Work Continuing

WAS STARTED LAST WEEK—WILL REQUIRE ABOUT FIVE ALTOGETHER.

The Dental Correction campaign which was started last week in the county schools, when Dr. J. A. Throop examined several hundred pupils in the schools, was continued Thursday. Dr. Ralph Overstreet started Wednesday on the second week of the campaign and will conclude his part on Friday. On Thursday and Friday of next week the third part of the examination will be held.

A dental record is sent to the pupil's parents for them to see. This chart contains suggestions for the parents to follow if they wish the defects remedied.

The record contains the student's name, and school and a drawing of the upper and lower sets of teeth. As the doctor examines the child, Miss Carol Shultz, county health nurse, marks each defective tooth, so that the parents can tell at a glance where the defects, if any, are.

## Held At Theater.

Through the kindness of Mr. William Blanchard, the Greencastle Morning Musicale was able to make use of the organ of the Granada Theater for its program Wednesday morning. In her paper on modern French music, Mrs. Harry Voltmer stressed particularly the revival of French music since, and because of, the Franco-Prussian war. After that time came a need for national affirmation, and schools and conservatories became active. A few years ago the representatives of the modern school were men such as Debussy and Ravel, the impressionists. Now, however, they have been superseded by another school of modernists who, eschewing impressionism, are striving to give characteristic utterance to the contemporary spirit.

The statute of limitations, battle center of the trial, outlaws prosecution of an alleged crime after two years have elapsed since its commission unless it is shown that the defendant concealed the offense by his own acts. Judge McCabe had commented several times in the course of arguments on the defense objections to State's questions, that this concealment must be by positive acts of the defendants.

READ THE DAILY BANNER

"Jimmie"

The mail man brought us two let- ters from Fillmore this morning which we certainly appreciate. The first we read was from "Two Breezy Fans" and the second epistle was from A. W. Heavin, principal of the Fillmore high school. The letters fol- low:

Feb. 13, 1928.  
Net Tabs:—  
We play New Winchester at Bainbridge next Friday night. This is expected to be a good game.

As you did not get this game with our schedule, I thought I would tell you about it.

Your Very Truly  
A. W. Heavin.  
Fillmore, Indiana,  
February 15, 1928.

Dear Net Tabs:—  
Since there hasn't been anything in the Banner about us for a while, we will give you a little dope about Fill- more.

Fillmore has won eleven games out of twelve, outside of the one in the tourney. Our standing is as follows:  
Fillmore...43; Reelsville...14  
Fillmore...32; Cloverdale...24  
Fillmore...23; Silesville...16  
Fillmore...43; Belle Union...13  
Fillmore...47; Van Buren...30  
Fillmore...55; Bowling Green...23  
Fillmore...39; Roachdale...42  
Fillmore...48; Belle Union...26  
Fillmore...37; Ladoga...23  
Fillmore...18; Cloverdale...12  
Fillmore...28; Reelsville...17  
Fillmore...44; Silesville...23

Not a bad list is it?  
We are picking Fillmore to win over New Winchester, Friday night, by ten points.

We are picking Greencastle to win over Clinton.

Here is our big six:  
1. Greencastle.  
2. Bainbridge.  
3. Fillmore.  
4. Cloverdale.  
5. Roachdale.  
6. Russellville.

Sorry Bainbridge, but you haven't played as strong teams as Greencas- tle.

Let's go Fillmore!

—TWO BREEZY FANS.

#### CROCK CLINTON, CUBS!

Roachdale entertains Russellville up on the Franklin township floor to- morrow evening. At the same time Bainbridge plays Roachdale plays as host to the Brownsburg squad. Here's a tip-in the first above mentioned tilt a team beginning with "R" will win and the same holds true in the second on the quintet's name starts with "B".

The Tiger Cubs have looked plenty good in practice this week and we're picking them to beat Clinton. Don't fail us, boys. ....

George Purcell included two items regarding DePauw and Bainbridge in his column "Casual Comment" in the Bloomington World yesterday. George says the Tigers have had a successful season and that Bainbridge—oh well, read the clippings below for yourself:

DePauw's basketball season is a success. The Methodist defeated Wabash 23 to 22 last night and the goose hangs high in Greencastle.

These Bainbridge boys are going to have to be considered in the regional play. Bainbridge dropped Brazil last week after Brazil had won 19 straight. The score was 56 to some- thing else—a wide margin of victory. It is likely that Bainbridge may be the winner in the Greencastle regional. If they can defeat Greencastle in its sectional, they ought to take Crawfordsville in the regional.

CLOVERDALE STEPPING OUT  
Putnam County basketball teams will invade Hendricks county Friday night, when both the Bainbridge and Cloverdale high school teams will visit Danville, for a double header game.

Bainbridge will play Brownsburg at Danville and Cloverdale will play Danville high team during the even- ing.

Cloverdale plays Ladoga at Ladoga Saturday night and the following Friday night, will close their season against Spencer at Spencer.

Thus far this season, Cloverdale has lost only to two teams, Fillmore and Spencer. They have defeated Quincy, Smithsville, Lyons, Swiss City, Ladoga, Waynetown, Gosport and won the county tournament.

#### MOVIES

#### "GET YOUR MAN"

Parisian life! Of what does it consist?

Although the locale of "Get Your Man" Clara Bow's latest starring picture for Paramount, now being shown at the Granada Theatre, in Paris, a new background has been established.

There is no apache atmosphere, no gay night life, no fashionable resorts. The story is one of sparkling humor with a wax-works museum as the center of Parisian activities for Clara Bow and her leading man, Charles Rogers.

The plot also carries one to a mas- sive chateau, into an exclusive per- fume shop, along the business streets of Paris, down quaint French roads and through foreign gardens.

The atmosphere is decidedly differ- ent.

A new twist has even been added to the love element. A boy and a girl meet and fall instantly in love. But a huge barrier—that of French tradi- tion in the matter of how mates are chosen for children of the nobility.

Into the midst of French custom, which are about to bind Charles Rogers and Josephine Dunn to each other for life because their fathers believe they should marry, comes an Ameri- can girl, Clara Bow.

With her American ideas of free- dom she cannot understand why she and Rogers should not be permitted to marry. She undertakes to break the betrothal which has existed for 17 years and the complications into which her scheme throws her supply much of the humor.

The parts of the two fathers who bring about the engagement are played by Josef Swickard and Har- vey Clarke.

#### AT THE VONCASTLE

"Whiskery," the sensationally fa- mous race horse, winning the Kentucky Derby, and famous jockeys such as Albert Johnson, Earl Sande, Mac- Garner, Earle Poole, and others, will be among the joys of sportsmen in "In Old Kentucky," John M. Stahl's new Metro-Gildwyn-Mayer picture, which is coming to the Voncastle Theatre.

Last year, during the Kentucky Derby, Director Stahl had a battery

of cameramen at Churchill Downs, Louisville, and Latonia, Lexington, filming the race and many of the in- cidents of racing. At the famous Blue Farms, just outside Lexington, the complete life of a racing colt was filmed, showing how the animals are cared for and handled.

"In Old Kentucky," which featured James Murray, Helene Costello and Wesley Barry, as well as a vivid screen play by A. P. Younger and was suggested by the famous old racing melodrama which for years has been so popular on the stage.
